

Weekly speaking tally

Observe everyday moments. Count opportunities, not tests.

Observation dates

Local reference (avoid names on shared copies)

Define one target response, setting, adult, and available support

Monday / date

Opportunities

Responses

Support / comfort / not observed

Tuesday / date

Opportunities

Responses

Support / comfort / not observed

Wednesday / date

Opportunities

Responses

Support / comfort / not observed

Thursday / date

Opportunities

Responses

Support / comfort / not observed

Friday / date

Opportunities

Responses

Support / comfort / not observed

Weekly note: compare with baseline; name missing data and the next agreed step

Notice effort, keep nonverbal access available, and never add pressure to collect data.

Store securely under your school policy. Original planning sheet, not a diagnostic instrument.
